Base Hospital

Used at the base hospital for advanced patient evaluation. **Includes:** • Full clinical examination • Surgical recommendations • Diagnosis and outcome entry

1.base_hospital.jpg

The screenshot shows a mobile application interface for a 'Base Hospital Register'. At the top, the status bar displays the time as 1:51 PM and various system icons. The app's header is a red bar with the title 'Base Hospital Register' in white. Below the header, the project and activity IDs are shown: 'Project ID: P04-LC-2025 | Activity ID: A10'. Two main action buttons are present: a red 'New Entry' button with a plus icon and a white 'Edit Existing' button with a magnifying glass icon. The form fields are as follows: 'Patient Name' (text input with 'Mahesh'), 'Date of Birth' (text input with '14/11/1998'), 'Age' (text input with '27'), 'Gender' (dropdown menu with 'Male' selected), 'Address' (text input with 'Anavatti'), 'ID Proof Type' (dropdown menu with 'Aadhaar Card' selected), and 'Aadhaar Number' (text input with '564975463158946165'). The bottom of the screen shows the standard Android navigation bar with back, home, and recent apps buttons.

Community Camp

Used during community-based screening initiatives. **Features:** • Register participants • Capture vision screening results • Photo & document uploads • Referral tagging

1.concent.jpg

The screenshot shows a mobile application interface for an 'INFORMED CONSENT' form. At the top, the status bar displays the time as 1:20 PM, along with icons for a crescent moon, a person, a triangle, and a group of people. On the right side of the status bar, there are icons for a close button (X), Wi-Fi, and a battery level indicator at 19%. The app's header is a red bar with the text 'INFORMED CONSENT' in white. Below the header, the project and activity information is displayed: 'Project: P01-LC-2025 | Activity: A06'. The form contains several fields and questions:

- Interviewer Name ***: A text input field containing the name 'vikas'.
- Date & Time of Consent ***: A text input field containing the date and time '14/11/2025, 1:20:29 pm'.
- Have you explained the purpose of the Community Outreach Camp and assured the respondent about Voluntary participation, and Confidentiality of their responses? ***: A question with two radio button options: 'Yes' (selected) and 'No'.
- Is the respondent an adult (18+)? ***: A question with two radio button options: 'Yes' (selected) and 'No'.
- Name of Respondent ***: A text input field that is currently empty.
- Did respondent provide voluntary consent? ***: A question with two radio button options: 'Yes' (selected) and 'No'.

At the bottom of the form, there is a red button labeled 'Next'.

Trainig Program

This module captures CBM India's internal capacity-building programs. **Includes:** • Training details
• Participant attendance • Photos of training events

1.training.jpg

The image shows a mobile application interface for a 'Training Programme' form. At the top, there is a red header bar with the title 'Training Programme'. Below this, the form displays 'Project ID: P04-LC-2025 | Activity ID: A12'. The form consists of several input fields, each with a label above it: 'Date' (2025-11-15), 'Venue' (Shivamogga hospital), 'Training Topic' (CPR), 'Resource Person' (Pavan), 'Total Participants' (106), 'Male Participants' (10), 'Female Participants' (56), and 'Other Participants' (0). The interface is clean and modern, with a light gray background and white input fields.
